SPECIAL NOTICES.

Wonders in its time, and no none for years thought of anything to improve upon it; but the change came and a sewing machine was invented, first in Europe, where, because of numerous imperfections it never obtained to general use, as here, where no household is considered complete without it. From the date of its first introduction to America, improvements upon improvements have been made upon it, tail at fast a perfect and beautiful numerine was gotten up by Lane. Winsten & Co. in Beston, embracing improvements upon all the good points of its prodecessors, while a voiding their faults—the result being something so desirable that no family will long be without it when once made aware of its artunings. HOLIDAY GIFTS For the Million at O. Fox's.

I will state to my friends and the publicity general, in justice to myself, that one of our citizens by the name of Edward Sayage, who professes to be what he does has caused to be published such an advertisement about 0. Fox's Giff Book Store and Brass deserby.

Do you think much of such a man who trys to injure one who never in any way tried to injure him? It is nothing more than justosy in bifeiness metiers.—

Now I will state that for the just firee years my Miscellaneous Book trade, and such I prounse has been the rase with Mr. Sayage's, has been very small, scarsely nothing to speak of. And where hes the trade gome? To N. w York and Philadelphia, to the Gift Book Store of Evans, and in protection to myself, when I was in New York I made arrangements with one of the largest publishing houses in New York to get me a catalogue, which has been published bed seen of the Western States, that I have as fine Gold Jewelry as any house has, and the largest, Enest and best selected stock of any house in the Cry.

In a few days I shall receive a very fine addition to my present stock in the way of Silver Tex Sext. Gold Warthes, Silver Warthes, and all Minds of the heat as elected stock of any house in the Cry.

In a few days I shall receive a very fine addition to my present stock in the way of Silver Tex Sext. Gold Warthes, Silver Warthes, and all Minds of the heat as elected stock, and all parties buying books from me I will give them 25 per cent of of my Catalogue, which is better than our friend Savage's lib per cent; if they do not wish to take their gift. My offi Book business is combacted in a different plan from ather houses.—At the time the gift is given I will allow them the blank heak in which the mill take of 25 per cent.
